Mr. Michael Harrington
Tenurgy, Inc.
445 E. Mitchell St, Suite 7
Petoskey, MI 49770

Dear Mike:

I would like to take this opportunity to thank you for all of your hard work, and to provide a letter of recommendation for others who are considering hiring your services. Working with you has been financially beneficial for the school district, and you have made the process very painless. Thank you.

I have been extremely impressed with the number and quality of your contacts within the telecom and utility industries. You have been able to reach the right people in a very short period of time, which has allowed you to solve problems that our staff has been unsuccessful in resolving for a couple of years. The ongoing savings of these resolutions will save the District thousands of dollars annually.

Initially I was a bit wary of your proposal. After all, you are looking to share in savings that, were we able, could go 100% back to the District. However, I quickly gained an appreciation for your knowledge and expertise in the nuances of these industries that no one on my staff could ever hope to learn. That means you found things that we would never have known even to ask about. While this makes me frustrated with how these industries operate, I am thankful to have you as our partner.

If you have any questions, please feel free to contact me directly at 231-348-2348.

With Best Regards,

Kent J. Cartwright, CPA
