

Patrick R. Hylant  
Chairman

Energy Users,

Mike Harrington and his team from Tenurgy conducted a review of the utility usage and billings for our corporate office building in Toledo, Ohio. They negotiated a refund over \$160,000 and better than that our electric bill will be approximately \$7,000 a month lower moving forward. I highly recommend you give them a chance to do the same for you, you have nothing to lose.

A handwritten signature in blue ink, appearing to read "Patrick R. Hylant", with a large, stylized initial "P" and "H".

Patrick R Hylant
